## AREA OF SUPPORT

During Fellowship and post fellowship if you are working on an idea that can solve a problem that affects the economically disadvantaged, enhances employability in rural and urban India, escalates sustainable Development goals to end extreme poverty by 2025, we're looking for you. Here are a few themes that we care about

### Agriculture

We care to Sustain Per Capita Economic Growth in Accordance with National Circumstances and in particular at least 7 Per Cent Gross Domestic Product Growth Per Annum in the Least Developed Countries. We are working for Zero Suicide of Farmers by 2025.

### Health

We determined, by 2025, reduce the Global Maternal Mortality Ratio to Less Than 70 per 100,000 Live Births. We are planning to provide 1 Million USD for health Insurance across the country.

### Hunger & Nutrition

We are working, By 2025 to End Hunger and Ensure Access By all People, in Particular The poor and people in Vulnerable Situations, Including Infants, To Safe Nutritious and Sufficient Food all Year Round. We are working to make India Hunger and Beggar Free.

### Gender Equality

End All Forms Of Discrimination Against All Women and Girls Everywhere. We are working strongly to protect the LGBT Rights with Many International NGOs. Women rights will be protected by bringing awareness in the society and making the Government to change the policies.

### Land & Property

Develop Quality, Reliable, Sustainable and Resilient Infrastructure including regional and Trans border Infrastructure, to Support Economic Development and Human Well-Being, With a Focus on Affordable and Equitable Access to all.

### Employability

A facilitated learning platform characterized to develop the body, mind, soul and heart through specialized modules for each one to increase the employability of the learners and get guaranteed employment if they do have a desire to work for an enterprise.

### Education

By 2025, Ensure that all Girls and Boys Complete free, Equitable and Quality Primary and Secondary Education Leading to Relevant and Goal-4 Effective Learning Outcomes.

### Energy

Our current reliance on fossil fuels is unsustainable and harmful to the planet, which is why we have to change the way we produce and consume energy. By 2025, Ensure Universal Access to Affordable, Reliable and Modern Energy Services.

### Environment

By 2025, protect and restore water-related ecosystems, including mountains, forests, wetlands, rivers, aquifers and lakes. Support and strengthen the participation of local communities in improving water and sanitation management

### Lead India Network

We are working to connect, convince and convert Nonprofits for social good and empower them by networking, nestling and nurturing for organizational good then motivate monitor and mentor them for the good of the people.

## WHY GATI

- How do you become a result oriented and successful for profit and not for profit entrepreneur?
- What can we do to solve India's many challenges either as an entrepreneur or employee?
  - How can we reduce the gap ratio of rich and poor?
- How do we make sure India is shining for everyone and become hunger and beggar free?

From our last 20 years research, we found that there is need of well-educated and informed entrepreneurs to bring in the society. Mushrooming number of NGOs, without proper information and infrastructure may ruin their time and money and bring chaos in the society, whereas a single but well informed and highly supported entrepreneur can make a big change. We welcome every one and are taking action to those mushrooming number of NGOs to be educated and well informed to bring a solid social change that is what we are working for through GATI focusing on the causes we care for

## WHAT WE OFFER

### Innovation Grant

During the Fellowship all the fellows having innovative ideas or a genuine interest to work on our initiative may receive an annual grant upto USD 25,000. Apart from this they will be encouraged to apply for innovative grants offered by funders globally to make their dreams come true and work on the global goals aimed by us.
